

Directions to Teancum

Drive on Highway 12 East until you pass over the Snake River. After the bridge, take the exit for Highway 124 towards Burbank/Waitsburg. Continue on Highway 124 through the town of Precott and on to Waitsburg. When you come to Highway 12 in Waitsburg, continue straight at the stop sign onto Highway 12 East and continue to the town of Dayton. In Dayton, the road will widen to two lanes heading East. Stay in the right lane -- it will force you make a right turn onto onto S 4th Street (towards Bluewood ski area). Continue 9.5 miles until you see the Teancum Timbers sign on the right side of the road. This is Able Lane. **Proceed at 10 MPH or slower** until you come to the first open gate at camp.
